

Supplier Service Level Agreement

Purpose

This document defines supplier performance expectations, delivery standards, quality metrics, and escalation procedures.

Standard Performance Targets

KPI	Target
------------	---------------

On-Time Delivery	95%
-------------------------	------------

Product Quality	98%
------------------------	------------

Maximum Lead Time 20 Days

Order Accuracy	99%
-----------------------	------------

Delivery Commitments

Suppliers shall:

- **Confirm purchase orders within 24 hours.**
 - **Notify delays immediately.**
 - **Provide shipment tracking information.**
 - **Deliver according to agreed schedules.**
-

Quality Standards

Products must:

- **Meet technical specifications.**
 - **Pass quality inspection.**
 - **Include warranty documentation.**
 - **Meet packaging standards.**
-

Escalation Levels

Level 1 – Procurement Manager

Level 2 – Supply Chain Director

Level 3 – Executive Leadership

SLA Violations

Violation examples include:

- **Late deliveries**
- **Incorrect shipments**
- **Missing documentation**
- **Product defects**

Three consecutive violations trigger supplier performance review.

Corrective Actions

- **Supplier improvement plan**
 - **Weekly review meetings**
 - **Additional inspections**
 - **Alternate supplier evaluation**
-
